

Good Neighbours

Weldon Parish Council has received complaints of intrusive noise from mechanised garden or DIY equipment. We recommend the following:

Limit noisy activity to...

| | |
|--------------------------|------------------------------------|
| Monday to Friday | 09:00 to 18:00 |
| Saturday | 09:00 to 16:00 |
| Sunday and Bank Holidays | 11:00 to 15:00 (avoid if possible) |

We appreciate that this may not always be possible so, **if you need to vary this**, if the noise will be **exceptionally loud** or if this is likely to **last for more than two hours**, please consider your neighbours and work something out between yourselves.

This is particularly important in the summer months when residents want to enjoy their gardens and outdoor spaces and windows and are more often opened.

Kind Regards

Weldon Parish Council
